

WaveShade

Retractable Shade Cover

Fully customisable, the Wave Shade offers you the best of both worlds, sun when you want it and shade when you need it. The Wave Shade is made up of a series of billows which helps it retract and gives it an eloquent look. Each shade is custom-made to ensure a perfect fit over your outdoor space and can be attached to pergolas, homes, walls and poles.

About the manufacturer

Wave Shade is a premium shade solution designed, manufactured and produced by NuRange Products. They operate from a purpose-built plant to produce robust and attractive products that are fit for purpose. The fabrics used in their Sails may not be the cheapest, but they do have the best guarantees in the industry, and will last for much longer than alternatives that are available.
