

Shadowspec **SU10**

Commercial Centre Pole Umbrella

These giant, heavy duty umbrellas are ideal for when you need a large amount of shade. They have a telescopic mast allowing them to close over furniture which makes them a popular choice for cafes, schools and resorts.

Highlights

- > Commercial grade aluminium frame and stainless steel hardware
- > Durable high performance hub and fittings
- > Marine-grade materials for long life
- > Telescopic mast enables umbrella to clear most furniture when closing
- > Robust 82.5mm Integrated Mast Module
- > Custom branding available
